How to choose your subjects

- **Facilitating subjects are those recognised by Russell Group Universities, if your ambition is to study at one of these institutions you should study at least 2 of these subjects** (remember you will need to achieve A's & B's at GCSE)

- Biology
- Chemistry
- Physics
- English
- French
- History
- Geography
- Mathematics
- Further Mathematics

- **Other subjects you might not have studied before:**

- Economics
- Creative Writing
- Government and Politics
- Photography
- Philosophy
- Psychology

Find out more in our brochure.
