ETHNIC & CULTURAL

Please take the time to answer these questions to help us see that your child and other children get the best out of their schooling. The government has asked schools/academies to collect this information – but you do not have to give it unless you want to. Any information you do give will be treated in strict confidence. An information booklet is available from the Academy which gives further details.

This part is about ethnic background. It is not citizenship or nationality. Please tick the ethnic group which your child belongs to. Please tick **one box only**.

Criminal Convictions Disclosure	
<p>The Langley Academy 6th Form is an inclusive 6th Form and we are keen for all learners to be well cared for. We therefore ask all learners to declare if they have any criminal convictions. If you answer yes, you will be asked to provide further details. This does not automatically affect your admission, but allows the Academy to undertake a risk assessment and provide support as appropriate.</p>

Disability Equality Questionnaire

The Disability Discrimination Act (DDA) 1995 was amended from 2006 to promote disability equality. This will place a General Duty on public bodies to:

- Promote equality
- Eliminate discrimination that is unlawful under the DDA (1995)
- Eliminate disability related harassment
- Promote positive attitudes
- Encourage participation
- Take steps to meet disabled people's needs

Schools have to produce a Disability Equality Scheme which sets out ways in which the schools will do this. We therefore need to know which of our pupils may have any 'disability' covered by the DDA. Please tick the appropriate boxes overleaf to show which disability or medical condition applied to your child.

NB A child has a disability if she/he has a physical or mental impairment which has a substantial and long term adverse effect on his/her ability to carry out normal day-to-day activities. The term 'disability' includes medical conditions such as heart disease, diabetes, severe disfigurement, depression, schizophrenia, dyslexia, epilepsy, Downs Syndrome, physical and sensory impairments. It also includes learning difficulties such as SpLD (Dyslexia, Dyspraxia etc), ADD, ADHD, MLD, SLD, SLCN, ASD (including Asperger's Syndrome).
