

30 September 2016

Dear Parents/Carers,

I am writing to inform you that as part of this year's Academic Afternoon the Year 11 students will take part in an Elevate Education Seminar on Wednesday 12 October 2016. The seminar is called 'Ace Your Exams' and will focus on revision techniques, fixing previous exam mistakes, time management in an exam, stress management and exam room techniques. I believe the session will provide students with valuable skills and techniques that will support them at this crucial time in their education.

The seminar will take place at The Langley Academy from 2.20pm to 3.20pm on the date indicated above.

As always, if you have any questions please do not hesitate to contact me.

Yours faithfully,

Mr Sullivan  
Raising Standards Leader Year 11  
The Langley Academy
