

# Library News!

It is with sadness that we bid farewell to our long standing library prefects who are stepping down to concentrate on their GCSE studies. However, we are pleased to announce that a new cohort of Yr.7 student librarians have volunteered to replace them!

Pictured top row L-R, library prefects 'retiring': Jessica Swan Gonzalez, Akhila Joseph, Madinah Rashid, Byada Hamed, Jade Leonard, Karis Boycott.

Pictured seating L-R, new student librarians: Elizabeth Monds, Rebecca Davis, Georgina Utle, Jessica Woodford, Elizabet, Boyadzhieva and Megan Kelly.

All the new Yr.7 students had a library induction lesson, and judging from the looks on their faces, seemed to enjoy it!

# Library News!

FlipSide general interest magazine, which is the most popular read in the library, is unfortunately no longer being published. The academy has however subscribed to some additional titles this year which should cater to all interests and age groups. They include: National geographic for kids, Top Gear, You magazine, Hello magazine, The Cricket paper, Discovery science magazine and How it works magazine.

The acclaimed Accelerated Reader Programme will be slowly introduced into the library. More details will follow.

The university prospectuses will now be kept at the 6<sup>th</sup> form centre and not in the library.
