Pupil Premium Policy

Aim of the Trust
One community. Many ideas. Everyone’s future.
We aim to provide an exceptional education for every child in the Trust through an ethos of collaboration and high aspirations and through the principles of quality learning using curiosity, exploration and discovery.

This policy is linked to the Pupil Premium Strategy Statement.

Principles
All members of the school community accept responsibility for students classed as disadvantaged and are committed to developing their full potential irrespective of need.

Purpose
This policy aims to:
• Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
• Set out how the school will make decisions on pupil premium spending
• Summarise the roles and responsibilities of those involved in managing the pupil premium in school

Legislation and guidance
This policy is based on the pupil premium allocations and conditions of grant guidance (2018-19), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on virtual school heads’ responsibilities concerning the pupil premium, and the service premium. In addition, this policy refers to the DfE’s information on what academies should publish online, and complies with our funding agreement and articles of association.

Purpose of the grant
The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces. The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.
We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils’ progress and attainment so that they can reach their full potential.

Use of the grant
Funding is used to support key posts, improve teaching and learning and to fund interventions
strategies such as (this is not an exhaustive list):

• Providing small group support
• Employing and training teaching assistants
• Running catch up sessions after school
• Providing extra tuition
• Running breakfast club before school
• Funding educational trips and visits

We will publish information on the school’s use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE’s guidance on what academies should publish online. Information on how the school uses the pupil premium is available here: http://langleyacademy.org/pages/pupilpremium.html

Eligible pupils
The pupil premium is allocated to the school based on the number of eligible pupils in years 7 to 11. Eligible pupils fall into the categories explained below.

Ever 6 free school meals
Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE’s latest conditions of grant guidance).
This includes pupils first known to be eligible for free school meals in the most recent January census.

Looked after children
Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

Post-looked after children
Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

Ever 6 service children Pupils:
• With a parent serving in the regular armed forces
• Who have been registered as a ‘service child’ in the school census at any point in the last 6 years (as determined by the DfE’s latest conditions of grant guidance), including those first recorded as such in the most recent January census
• In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
