1.	<p><b>SMHW - Show my homework</b></p> <p>Ms Humber asked the students their thoughts about SMHW.</p> <p>Students thoughts on this subject:</p> <p>See attached sheet</p> <ul style="list-style-type: none"> <li>• It's good if the teacher leaves homework for you regularly.</li> <li>• It's not good if a teacher leaves the homework on a Sunday evening expecting it to be done by Monday, as sometimes then you get a detention for not doing it.</li> <li>• Sometimes the teachers don't inform you they are going to leave homework on SMHW, then if the work isn't done you get a detention.</li> <li>• Teachers in History, Maths, English and Geography are best at leaving homework on SMHW.</li> <li>• Sometimes teachers leave homework and you have only had a very brief description of what to do, and how to do it.</li> <li>• Homework is left without any information of what to do and the questions haven't been covered in class.</li> <li>• The best department at leaving homework on SMHW is English.</li> <li>• It is good to have it on an app on your phone so you can check if you have been left any homework quickly.</li> <li>• It helps you keep track of your work</li> <li>• It's good to have a deadline.</li> <li>• Homework should only be given for either SMHW or written in your diary as having both is confusing.</li> </ul> <p>The conclusion everybody came to is that SMHW is good if used effectively and it helps with your homework, not too many resources.</p> <p>Volunteers: Gilbert Awuah Munib Perveaz Zara Ahsan Leah Lewis</p>	<p>LHU to e-mail students where and when there will be a meeting</p>

Wednesday's lunchtime should also be a split lunch as there isn't enough time to get changed for enrichment and have your lunch because all the hot dinner have gone.
