3	<p>Making a difference to Grades</p> <p>The students were asked to think about things that will make a difference to their grades and help improve them.</p> <p>The students answered with the following:</p> <ul style="list-style-type: none"> • Revision sessions don't cater for all subjects. • They need more suitable places for revising as the library is too small. • Preparation/Revision strategies. • An Assembly on Study Skills, the last one was helpful. • Rewards – To encourage students to strive harder. <p>Action: TON to ask CPA to attend the academy council meeting to discuss Revision/Prep.</p>	

4	<p>Rewards</p> <p>TON asked the students, Is the current rewards system working?</p> <p>The students answered with the following.</p> <ul style="list-style-type: none">• No – Whole class detentions, students that are good in class get kept behind for detentions even though it's just a few disruptive students in class.• The rewards system for Attendance and Punctuality is really good.• Steady students don't get rewarded.• Some students won't work unless there is a prize.• House points aren't used enough.• Students who misbehave are better rewarded.• The Y10's don't get rewarded.• It would be good to have a raffle for house points and then a small reward. <p>Action: Students are to ask their friends from other schools about their rewards.</p>
