Impact of coronavirus (COVID-19) on appeals Year 7 September 2020

We are currently monitoring government guidance and considering the possible impact of the coronavirus on admission appeals.

We recognise that some parents have made an appeal to the independent appeals panel. These appeals were due to be held in May/June 2020, however they are now unlikely to take place within this timescale.

The Langley Academy and the clerk of appeals are fully committed to hearing the appeals but as you can understand we have to consider the health and safety of our employees, partners and parent /carer's. As such, we are scrupulously following all guidance from the relevant authorities during this period of uncertainty.

If you have not yet submitted your appeal please post them to the address given on the appeals form or email admissions@langleyacademy.org. DO NOT bring them into the Academy.

These are unprecedented times and The Langley Academy will keep you updated of further developments. Please check our website regularly.
